

WALTZ FOR DEBBY

Lyric by Gene Lees

Music by Bill Evans

As Played on *Waltz for Debby*

Figure 5—Solo

This piece represents the hard-swinging side of Bill Evans. It is interesting to note that, though the head is a waltz, Evans usually played the solo chorus in common time. One feature that works so well in this solo is his marvelous development of motive. Notice how the first section (meas. 1–8) can be divided into two complementary sections, each of which sticks to a basic idea. You can follow this deliberate development of motive through much of the solo. Of course, the melody of the tune is never very far away—compare, for example, his note choice in measures 25–32 with the original melody.

I once heard a professor talk about Bill Evans's approach to rhythm as a series of rhythmic "streams." Evans has a unique way of combining various rhythmic elements such as swing eighths, eighth-note triplets, quarter-note triplets, and even double time (meas. 57). Where most performers might use these rhythms in a solo, Evans combines them in a way that is unique. Notice the variety of rhythms in measures 52–64. These "streams" really propel the music forward.

14	Full Band
15	Slow Demo meas. 55-62
16	Rhythm Track
